Expert Support

You are not be able to search status of your repair if your product is sent by reseller or distributor. If your product is sent by them, please contact them for your repair. The estimated completion date of the repair is only for your reference. The completion date of the repair will be according to the real repair situation. We also welcome you to visit our website to check the latest progress of the repair. Thank you! If your product is ZenFone Max Pro M2 (ZB630KL) , ZenFone Max (ZB632KL) , ASUS 6z or ROG Phone II, we sincerely invite you to contact ASUS call center or your original repair center. We apologize for any inconvenience caused.
